Commissioner for Patents

The timely submission under 37 CFR 1.129(a) filed on 9/24/04 is not fully responsive to the prior Office action because the amendment to claim 7 does not include all of the limitations of claim 9 (i.e. the preamble of new claim 7 should read as --An embedded coupled shaped dielectric waveguide resonator-- instead of "An embedded dielectric waveguide"). Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
